

# CONVENTIONAL FORMULATIONS

WITH  
NANOMICRONIZED  
CLINOPTILOLITE  
AND NANO LIPOSOMAL  
ACTIVE COMPOUNDS

# INFECTIOUS AND PARASITIC DISEASES

*Capsule #00*

*Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box*

*Box 130x25x90mm  
(30 capsules)*

## *Main application*

*Intestinal infectious diseases  
Bacterial diseases  
Helminthiasis*

## *Ingredients*

### *Nano ingredients*

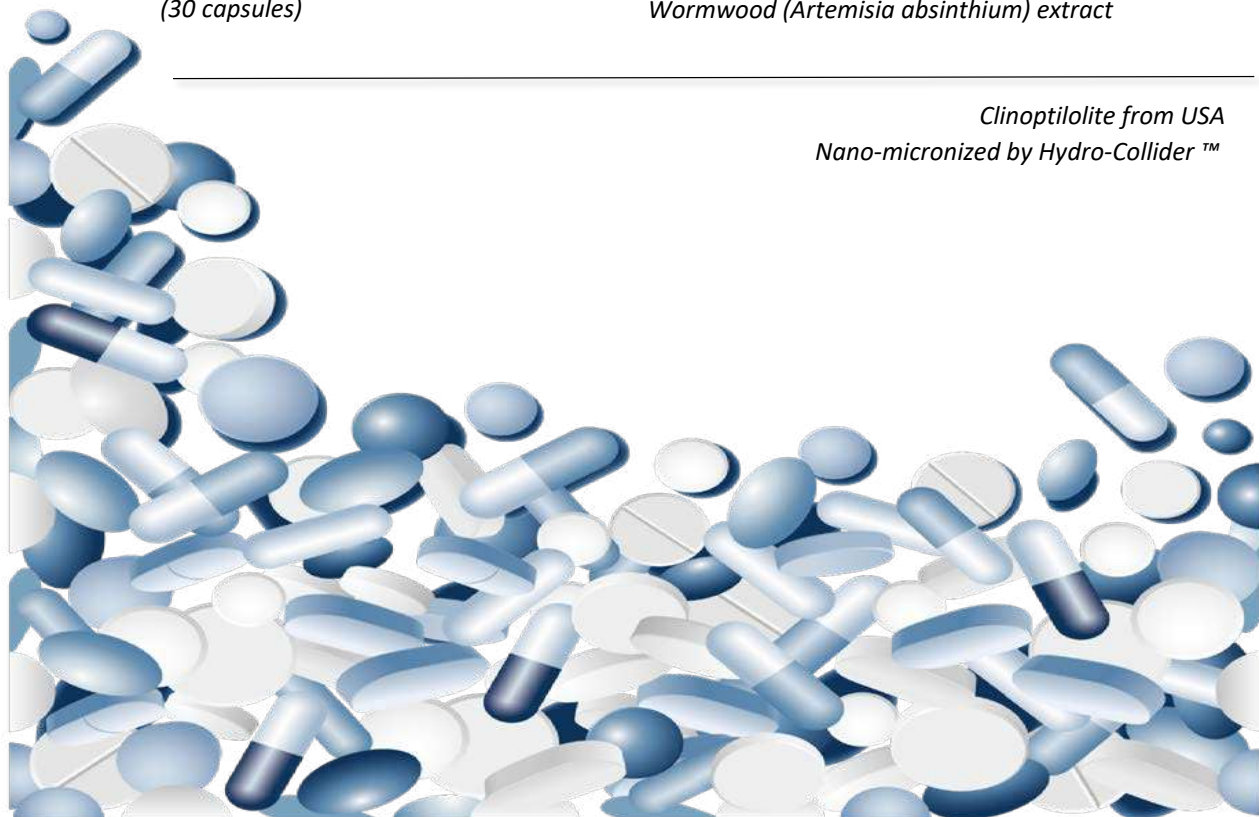

*Nanomiconized clinoptilolite  
Liposomal ginger extract  
Liposomal hesperidin from grapefruit extract  
Nanomiconized zinc*

### *Conventional ingredients*

*Black pepper (Piper nigrum) extract  
Black walnut (Juglans nigra) extract  
Clove (Syzygium aromaticum) extract  
Chinese goldthread (Coptis chinensis) extract  
Pomegranate (Punica granatum) extract  
Pumpkin (Cucurbita pepo) seed extract  
Sage (Salvia miltiorrhiza) extract  
Tansy (Tanacetum vulgare) extract  
Turmeric (Curcuma longa) extract  
Wormwood (Artemisia absinthium) extract*

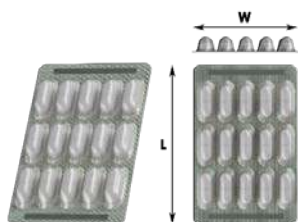

*Clinoptilolite from USA*

*Nano-miconized by Hydro-Collider™*

# IMMUNE SYSTEM DISEASES, ONCOLOGICAL AND VIRAL DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Immune system enhancer  
Oncological diseases  
Viral diseases

## Ingredients

### Nano ingredients

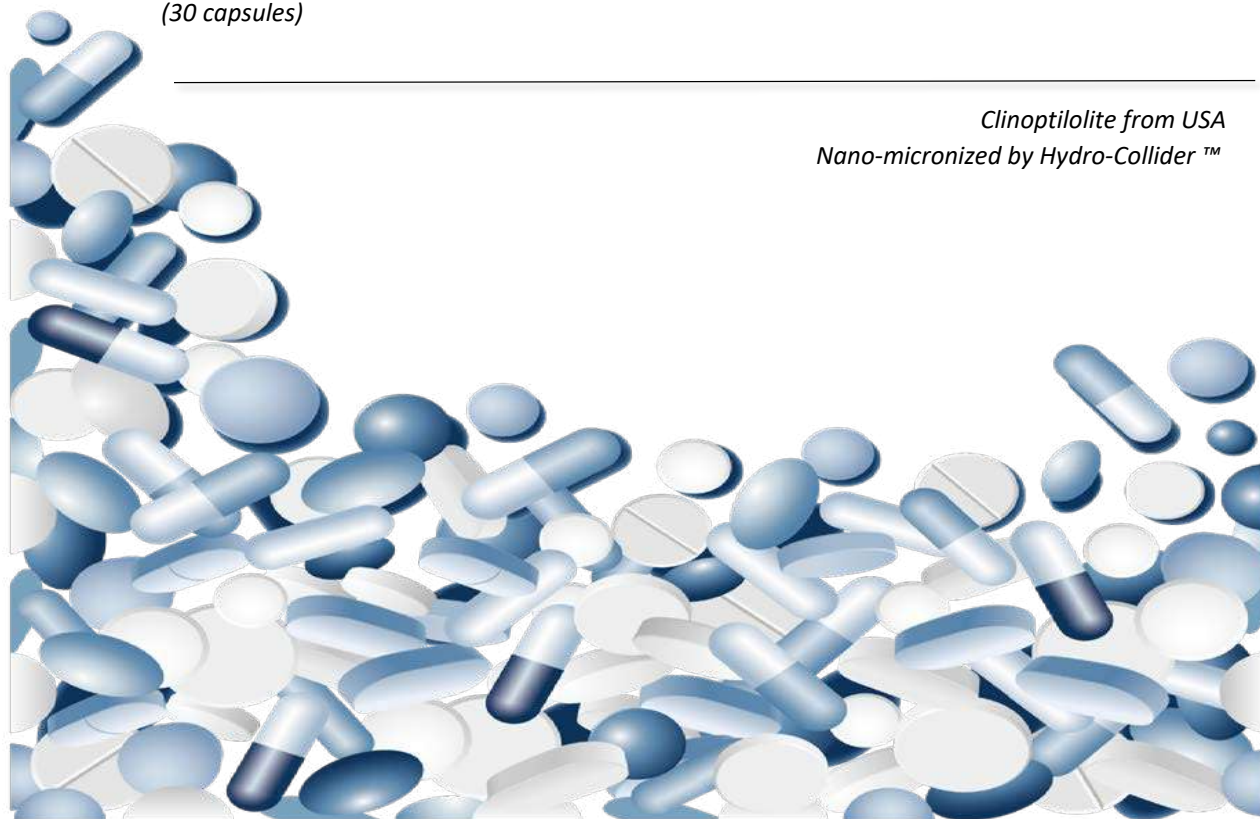

Nanomicronized clinoptilolite  
Liposomal astragalus extract  
Liposomal curcumin from turmeric extract  
Liposomal resveratrol from grape skin extract  
Nanomicronized zinc

### Conventional ingredients

Ashwagandha (*Withania somnifera*) extract  
Black cumin (*Nigella sativa*) seed extract  
Black pepper (*Piper nigrum*) extract  
Galangal (*Alpinia galanga*) extract  
Korean (*Panax ginseng*) ginseng extract  
Siberian ginseng (*Eleutherococcus s.*) extract

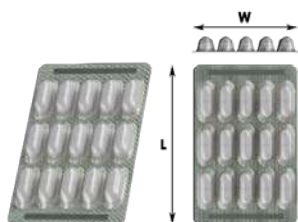

Clinoptilolite from USA

Nano-micronized by Hydro-Collider™

# ALLERGIES AND INFLAMMATIONS

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Allergies  
Inflammations

## Ingredients

### Nano ingredients

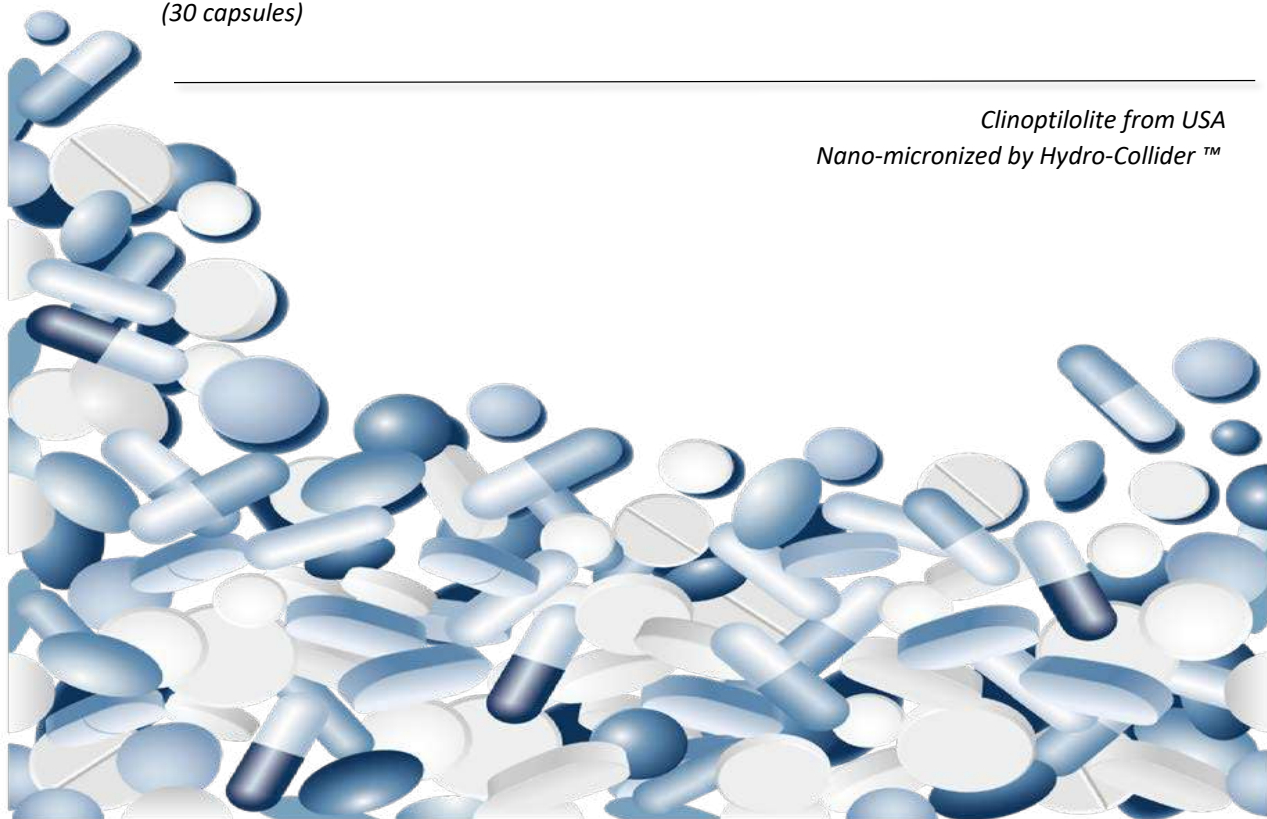

Nanomiconized clinoptilolite  
Liposomal astragalus extract  
Liposomal hesperidin from grapefruit extract  
Liposomal quercetin from apple extract  
Liposomal resveratrol from grape skin extract

### Conventional ingredients

Baikal skullcap (*Scutellaria baicalensis*) extract  
Black pepper (*Piper nigrum*) extract  
Korean (*Panax ginseng*) ginseng extract  
Licorice (*Glycyrrhiza uralensis*) extract  
Peony (*Paeonia lactiflora*) extract  
Sage (*Salvia miltiorrhiza*) extract

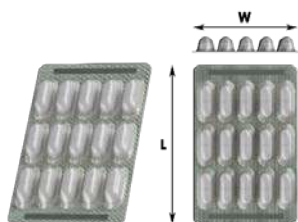

Clinoptilolite from USA

Nano-miconized by Hydro-Collider™

# METABOLIC DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Obesity  
Diabetes  
Dyslipidemia (cholesterol, triglycerides)

## Ingredients

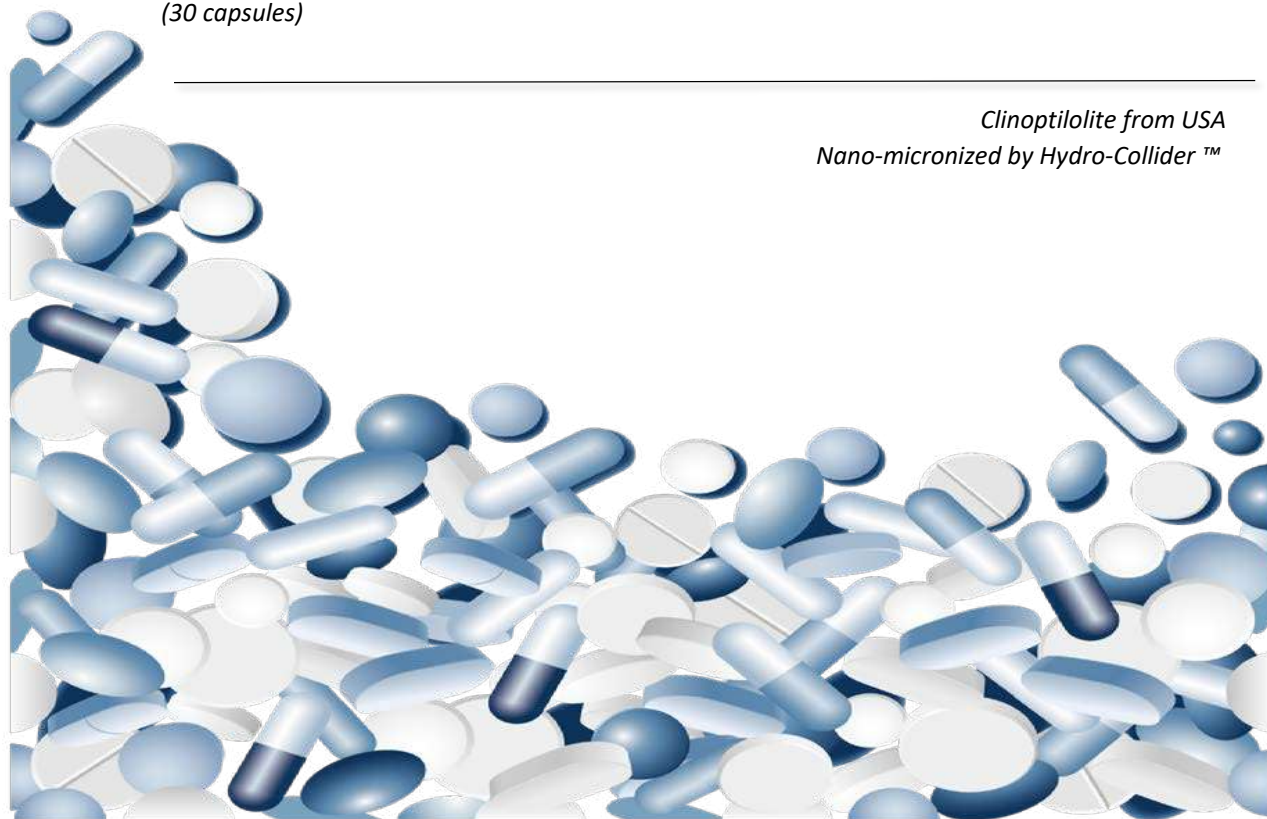

### Nano ingredients

Nanomiconized clinoptilolite  
Liposomal astragalus extract  
Liposomal curcumin from turmeric extract  
Liposomal hesperidin from grapefruit extract

### Conventional ingredients

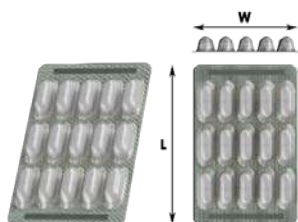

Bitter cucumber (*Momordica charantia*) extract  
Black pepper (*Piper nigrum*) extract  
Cinnamon (*Cinnamomum verum*) extract  
Galangal (*Alpinia galanga*) extract  
Gymnema (*G.sylvestre*) extract  
Korean (*Panax ginseng*) ginseng extract  
Rehmannia (*R.glutinosa*) extract

Clinoptilolite from USA  
Nano-miconized by Hydro-Collider™

# ALCOHOL DETOXICATION

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Alcohol detox  
Liver protection

## Ingredients

### Nano ingredients

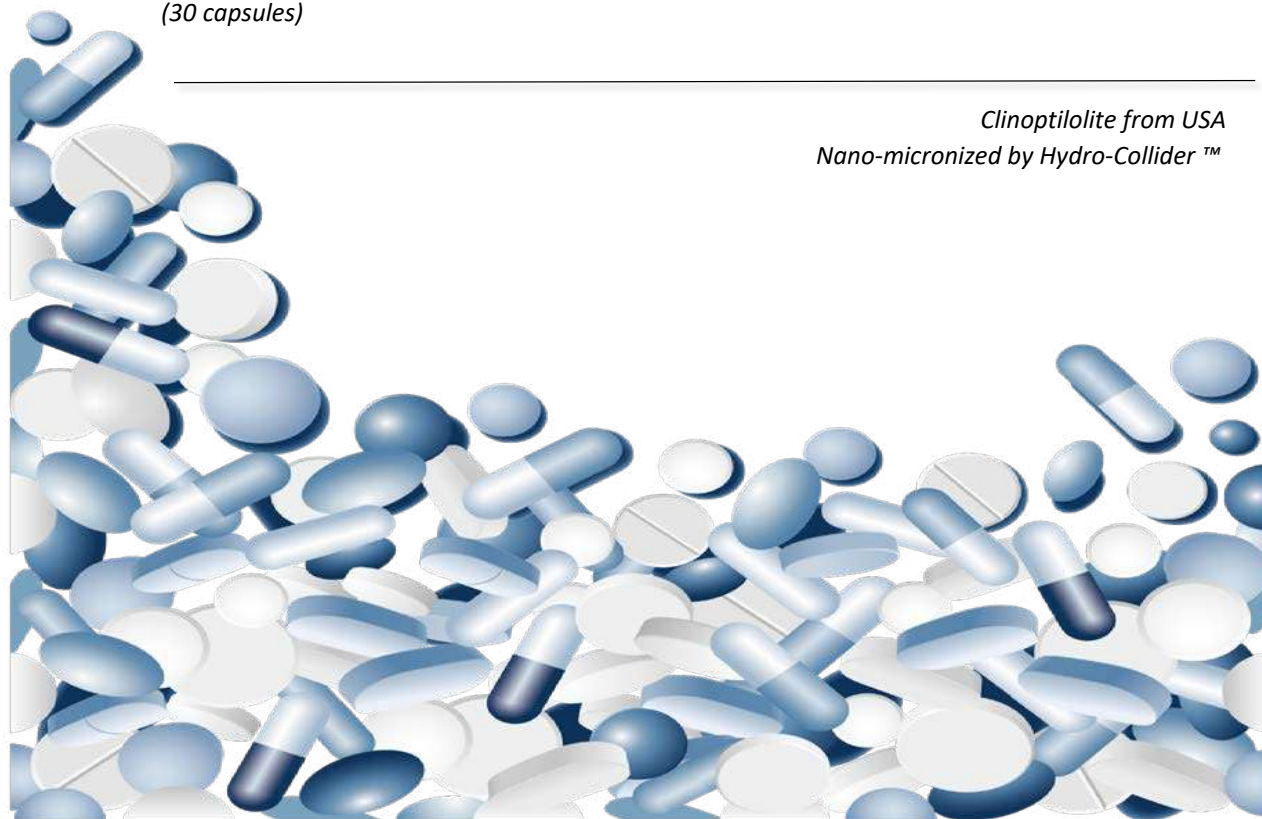

Nanomiconized clinoptilolite  
Liposomal astragalus extract  
Liposomal curcumin from turmeric extract  
Liposomal silymarin from milk thistle extract  
Liposomal vitamin C

### Conventional ingredients

Artichoke (*Cynara cardunculus*) extract  
Black pepper (*Piper nigrum*) extract  
Choline bitartrate  
Dandelion (*Taraxacum officinale*) extract  
Dong quai (*Angelica sinensis*) extract  
Peony (*Paeonia lactiflora*) extract  
White willow (*Salix alba*) bark extract

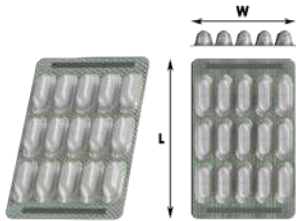

Clinoptilolite from USA

Nano-miconized by Hydro-Collider™

# NEUROLOGICAL DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Alzheimer's disease  
Depression  
Insomnia

## Ingredients

### Nano ingredients

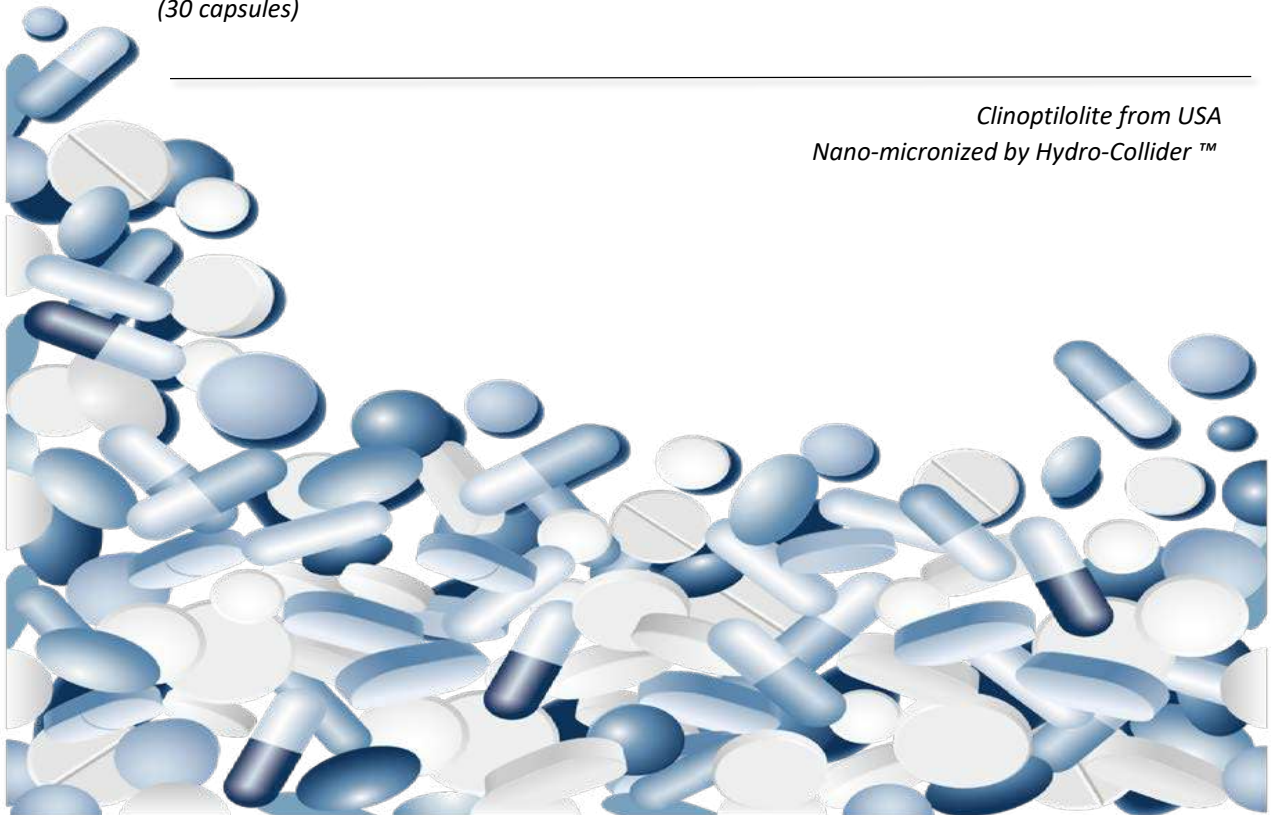

Nanomiconized clinoptilolite  
Liposomal curcumin from turmeric extract  
Liposomal GABA  
Liposomal Huperzine A  
Liposomal resveratrol from grape skin extract

### Conventional ingredients

Black pepper (*Piper nigrum*) extract  
Chinese goldthread (*Coptis chinensis*) extract  
Firmoss (*Huperzia serrata*) extract  
Lemon balm (*Melissa officinalis*) extract  
Mulberry (*Morus alba*) extract  
Sage (*Salvia miltiorrhiza*) extract

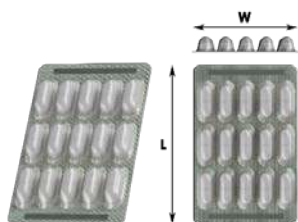

Clinoptilolite from USA

Nano-miconized by Hydro-Collider™

# DIARRHEA AND GUT MICROBIOTA DISORDERS

*Capsule #00*

*Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box*

*Box 130x25x90mm  
(30 capsules)*

## *Main application*

*Diarrhea  
Restoration of gut microbiota  
Feces odor reduction*

## *Ingredients*

### *Nano ingredients*

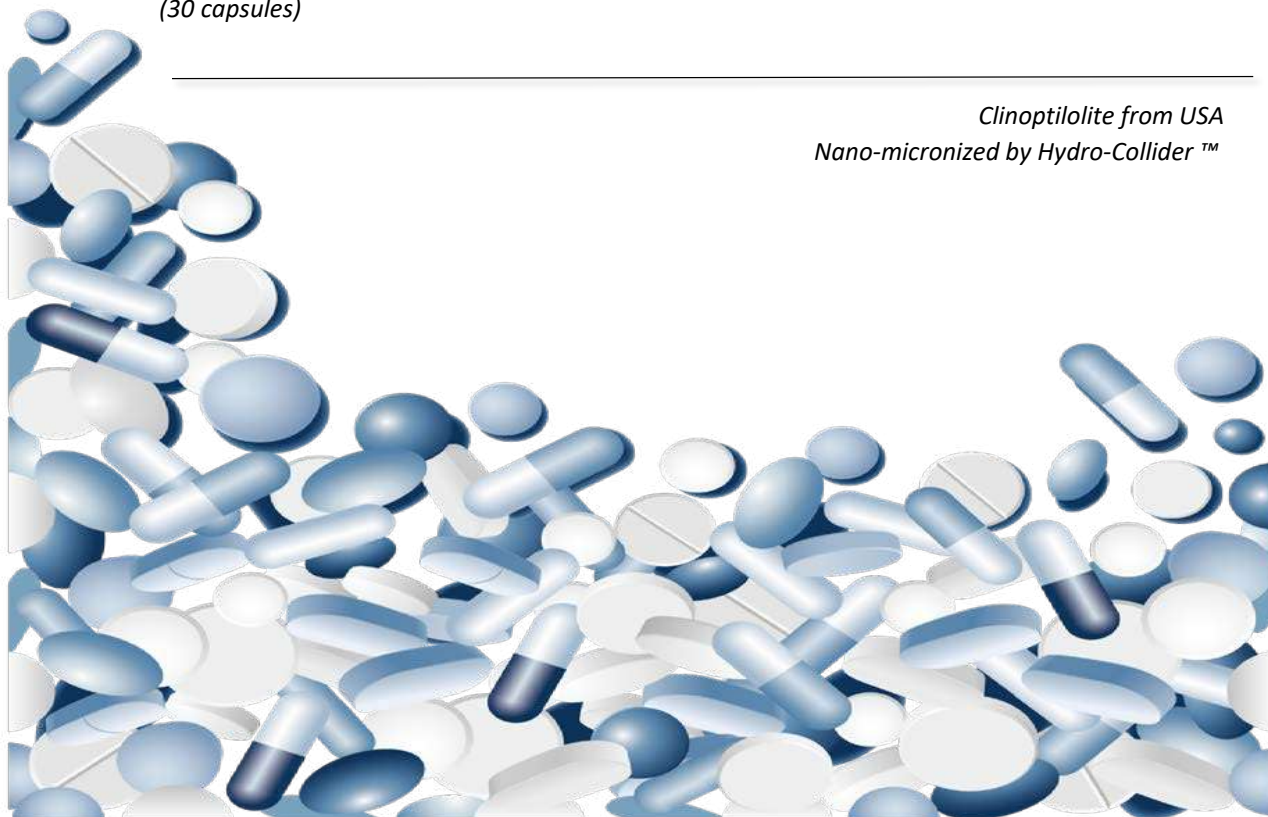

*Nanomicronized clinoptilolite*

### *Conventional ingredients*

*Artichoke (Cynara cardunculus) extract  
Asparagus (Asparagus racemosus) extract  
Cinnamon (Cinnamomum verum) extract  
Coriander (Coriandrum sativum) extract  
Fennel (Foeniculum vulgare) seed extract  
Fructooligosaccharides (FOS)  
Glycine  
L-glutamine*

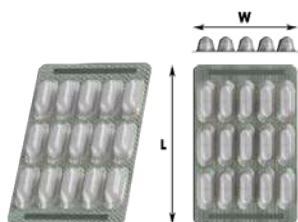

*Clinoptilolite from USA*

*Nano-micronized by Hydro-Collider™*

# GASTRO-INTESTINAL DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Gastroesophageal reflux (GERD), gastritis  
Leaky gut syndrome  
Liver protection

## Ingredients

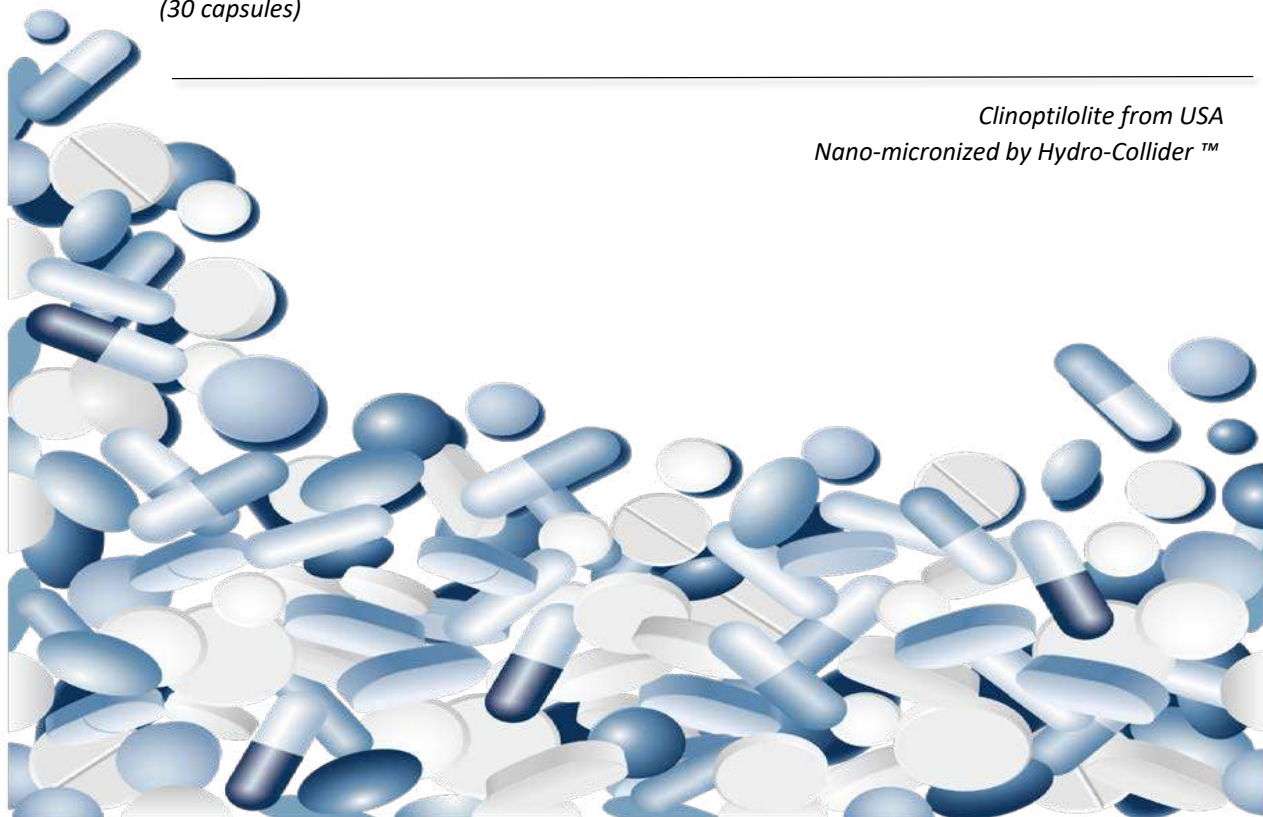

### Nano ingredients

Nanomiconized clinoptilolite  
Liposomal astragalus extract  
Liposomal curcumin from turmeric extract  
Liposomal ginger extract  
Liposomal hesperidin from grapefruit extract  
Liposomal silymarin from milk thistle extract

### Conventional ingredients

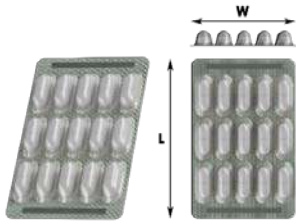

Artichoke (*Cynara cardunculus*) extract  
Black pepper (*Piper nigrum*) extract  
Chamomile (*Matricaria recutita*) flower extract  
Licorice (*Glycyrrhiza glabra*) extract  
Marine alginates  
Natural melatonin from tart cherry  
Zinc-l-carnosine

Clinoptilolite from USA  
Nano-miconized by Hydro-Collider™

# GENITOURINARY DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Kidney stones  
Uremia

## Ingredients

### Nano ingredients

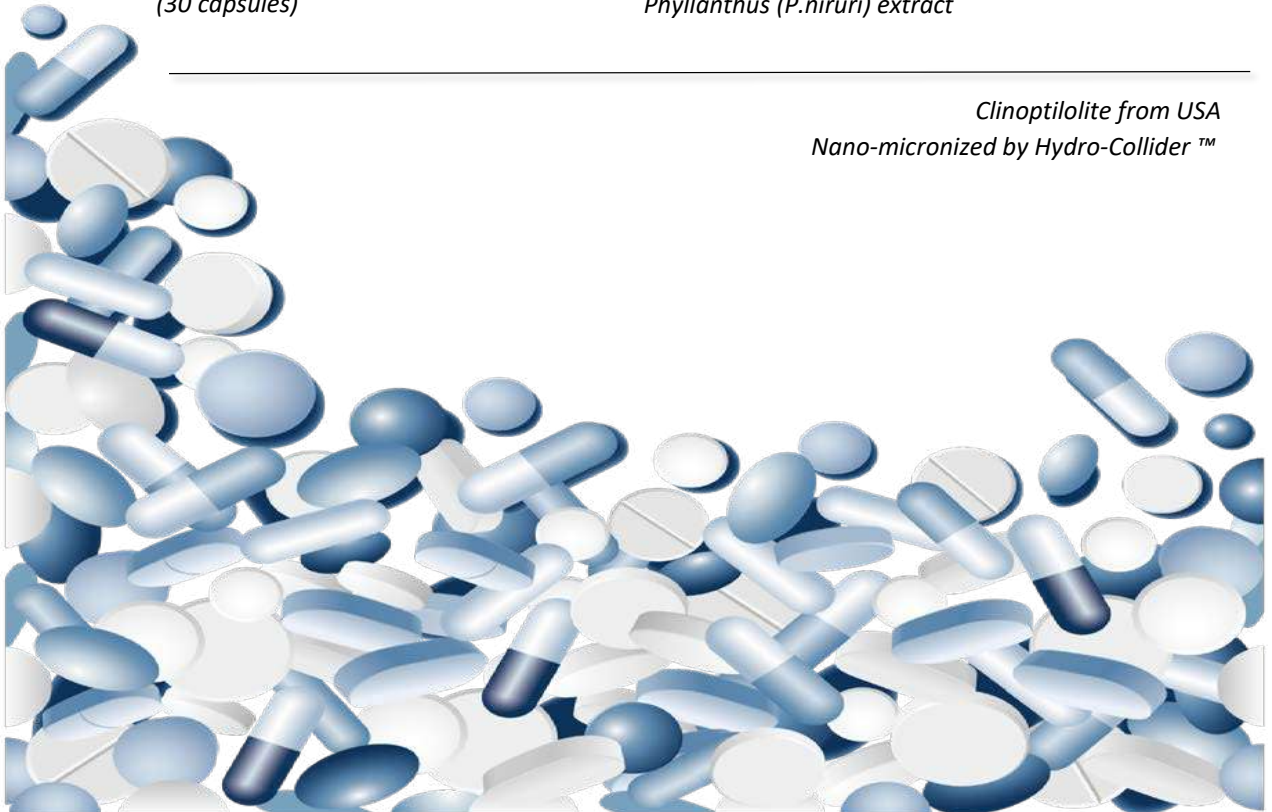

Nanomiconized clinoptilolite  
Liposomal ginger extract  
Liposomal hesperidin from grapefruit extract  
Liposomal quercetin from apple extract

### Conventional ingredients

Alisma (*A.orientale*) extract  
Asparagus (*A.racemosus*) extract  
Bearberry (*Arctostaphylos uva-ursi*) extract  
Black pepper (*Piper nigrum*) extract  
Cranberry (*Vaccinium macrocarpon*) extract  
Dandelion (*Taraxacum officinale*) extract  
Drumstick tree (*Moringa oleifera*) extract  
Galangal (*Alpinia galanga*) extract  
Horsetail (*Equisetum arvense*) extract  
Phyllanthus (*P.niruri*) extract

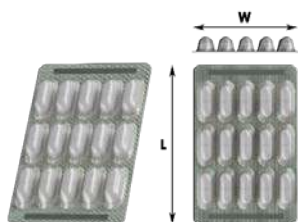

Clinoptilolite from USA

Nano-miconized by Hydro-Collider™

# MUSCULOSKELETAL SYSTEM DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Arthritis  
Osteoporosis

## Ingredients

### Nano ingredients

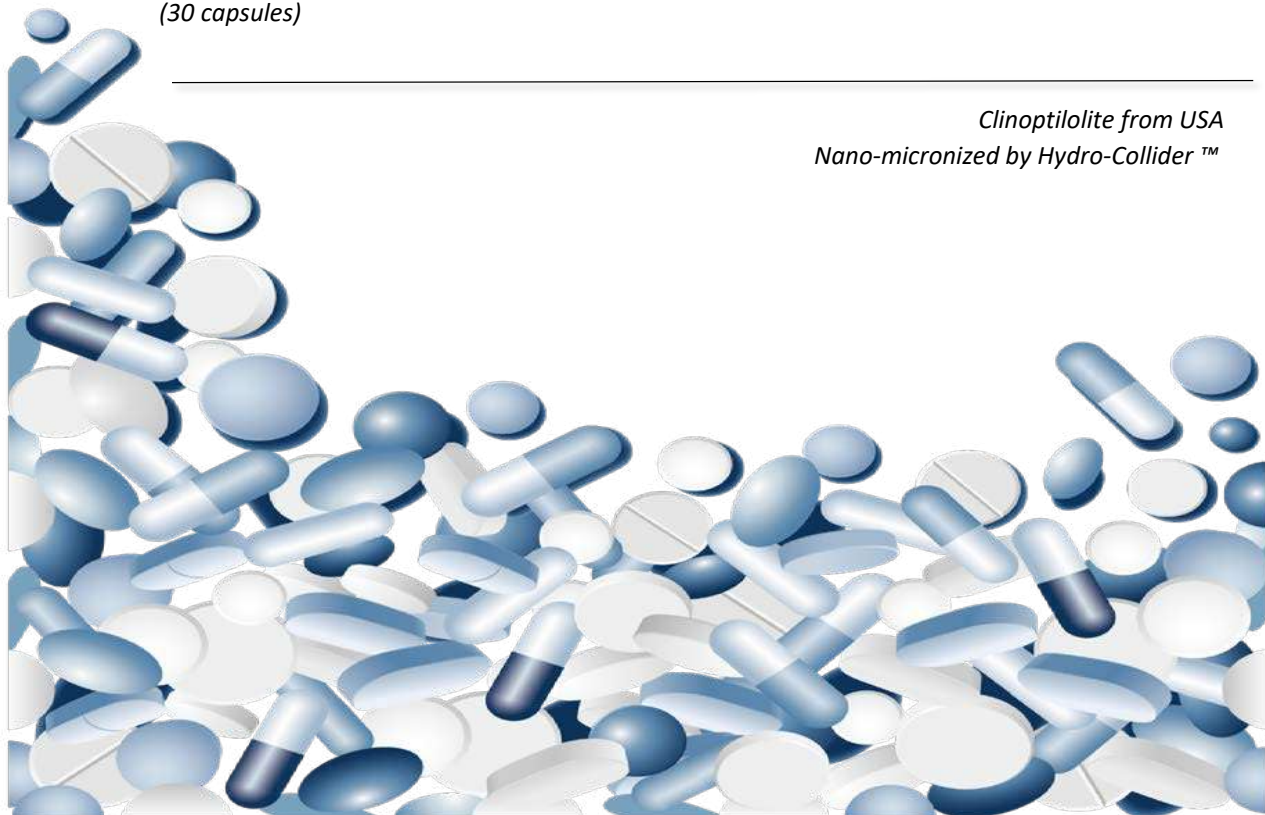

Nanomicronized clinoptilolite  
Liposomal curcumin from turmeric extract  
Liposomal ginger extract  
Liposomal multivitamin complex  
Nanomicronized calcium  
Nanomicronized magnesium  
Nanomicronized trace minerals complex

### Conventional ingredients

Black pepper (*Piper nigrum*) extract  
Galangal (*Alpinia galanga*) extract  
Kudzu (*Pueraria lobata*) extract  
Peony (*Paeonia lactiflora*) extract  
Siler (*Saposhnikovia divaricata*) root extract  
White willow (*Salix alba*) bark extract

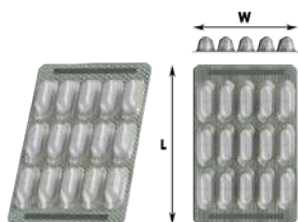

Clinoptilolite from USA

Nano-micronized by Hydro-Collider™

# RESPIRATORY SYSTEM DISEASES

Capsule #00

Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box

Box 130x25x90mm  
(30 capsules)

## Main application

Airborne pollution detoxicator  
Antioxidant for smokers  
General antioxidant

## Ingredients

### Nano ingredients

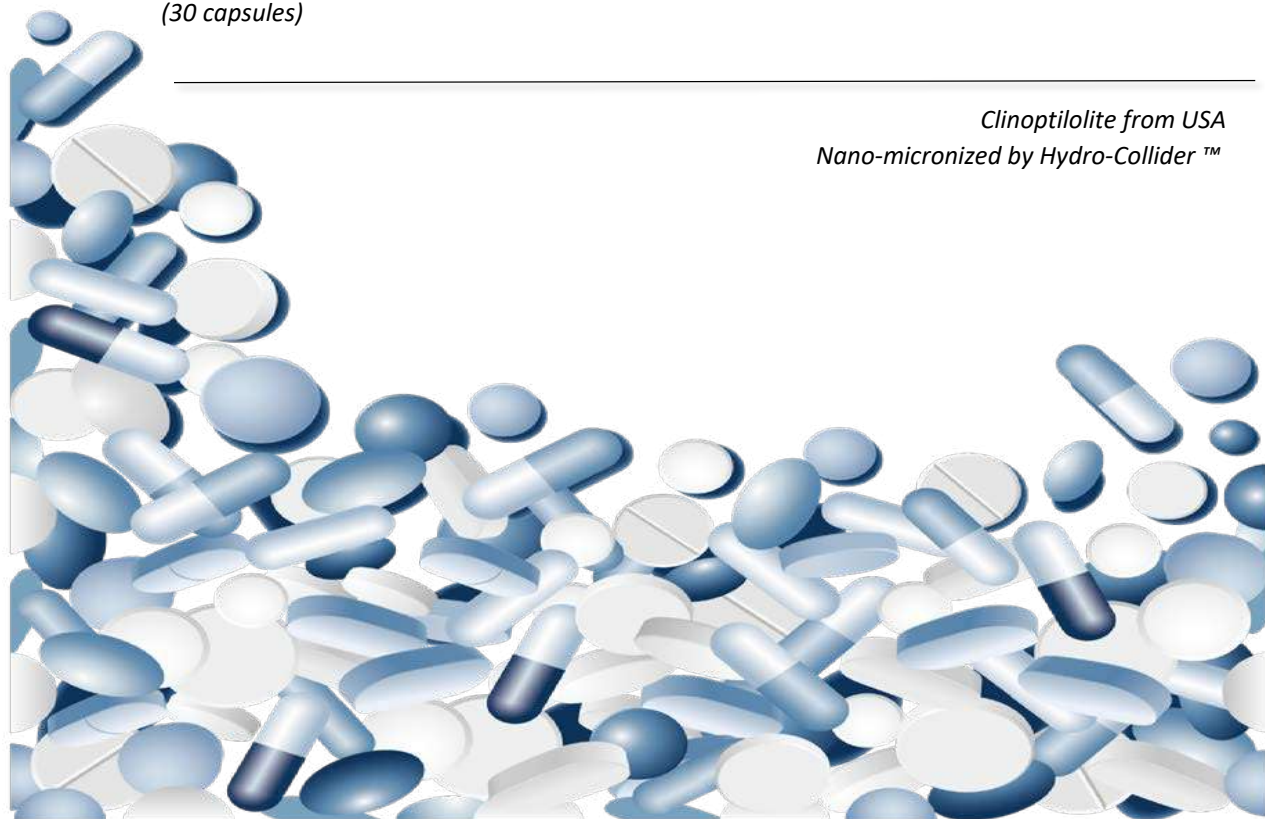

Nanomicronized clinoptilolite  
Liposomal astragalus extract  
Liposomal resveratrol from grape skin extract  
Liposomal quercetin from apple extract  
Liposomal vitamin C  
Nanomicronized magnesium  
Nanomicronized zinc

### Conventional ingredients

Baikal scullcap (*Scutellaria baicalensis*) extract  
Beta-sitosterol  
Ginkgo (*G.biloba*) extract  
Licorice (*Glycyrrhiza uralensis*) extract  
Peony (*Paeonia lactiflora*) extract  
Sophora (*S.flavescens*) extract

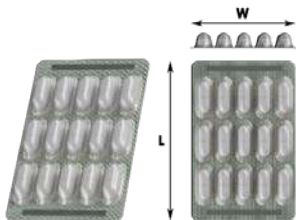

Clinoptilolite from USA

Nano-micronized by Hydro-Collider™

# HEAVY METALS DETOXIFICATION

*Capsule #00*

*Blister plate 115x75mm  
(15 capsules)  
2 blister plates per box*

*Box 130x25x90mm  
(30 capsules)*

## *Main application*

*Heavy metals detoxication*

## *Ingredients*

### *Nano ingredients*

*Nanomiconized clinoptilolite  
Liposomal L-cysteine  
Liposomal L-glutathione  
Liposomal vitamin C  
Nanomiconized selenium*

### *Conventional ingredients*

*Alpha lipoic acid  
Apple dietary fibers  
Chlorella organic powder  
Coriander (Coriandrum sativum) extract  
Marine alginates  
Modified citrus pectin  
Spirulina organic powder*

*Clinoptilolite from USA*

*Nano-miconized by Hydro-Collider™*
